**Re:** 2017 Awards Nominations

WCHSA is seeking nominations for awards honoring individuals in Wisconsin who embody WCHSA's purpose: to promote positive and professional relations in the field of human services among association members, public officials, constituents, and recipients of services, as a means of meeting the needs of local agencies for educational programs, coordinating activities, and administrative exchange. Nominations are sought for the four awards listed below, which will be presented at the annual awards banquet at the WCHSA Spring Conference, Wednesday, May 3<sup>rd</sup>, at the Osthoff Resort in Elkhart Lake.

Nominations are due to the Awards Committee

#### **2017 WCHSA AWARDS**

**Len Ganser Scholarship** – A \$250.00 scholarship for continuing education or training which will be presented to consumers of human services, or volunteers who assist in providing human services. The scholarship is intended to help the award recipient increase his or her capacity to work for the people we serve or to enhance their own move towards independence.

**Woodrow “Woody” Smith Award** – Presented to a human services board member for his or her dedication in serving the public trust and advancing the principles of quality human service provision.

**WCHSA Distinguished Service Award** – Presented to an individual for his or her outstanding services to WCHSA. The awardee is typically a WCHSA member, but non-members are eligible based on significant contribution to the association.

**Outstanding Public Service Award** – Presented to an individual or organization for outstanding contribution to human services or related fields. Recipients need not be members of WCHSA and could include a legislator, state employee, or an advocate.

#### **Nominations –**

- Nominations should include name, address, and background data including professional experience.
- Basis for nomination, including historical and/or current contributions.
- Nominations may be made by any member of WCHSA.
